

RIMA FOUNDATION STRATEGIC PARTNERSHIP PROGRAM (RFSPP)

A RIMA Foundation Cooperative Program

*Working Together to
promote a better Society*

Partnerships Produce Results

McAfee Partnership in 2008:

An increase in the market share of McAfee Inc. was recorded in Nigeria following a support initiative towards the successful hosting of the 2008 Records and Information Management Awareness Workshop, Awards and Exposition (RIMAW 2008 & RIMA Awards 2008).

Association of Information and Image Management (AIIM):

For the very first time in Nigeria through strategic partnership, Association for Information and Image Management (AIIM), USA was able to penetrate into the IM industry in Nigeria in 2008, with a high level of success.

Working Together for better Management and Security of Records and Information for Humanity and the Industry

RIMA Foundation Strategic Partnership Program (RFSP)

The RIMA Foundation Strategic Partnership Program (RFSP) is first of its kind program put together by RIMA Foundation (a Not-for-profit organisation) for the sustenance of the various laudable projects embarked upon by the Foundation while effectively cutting down on marketing budget of partners and increasing their return on investment (ROI). Today RIMA Foundation has recorded an appreciable success in the execution of her set objectives through the various projects embarked upon and implemented successfully.

The Strategic Partnership Program provides an avenue for public & private organisations, individuals and other stakeholders to participate in the development and promotion of proper management and security of records and information for the attainment of a better society.

Our partnership program is flexible, enabling RIMA Foundation executes projects while promoting and projecting the marketing objectives of our partners through out the year. The Strategic Partner Program enhances and builds upon RIMA Foundation's commitment to proper management and security of information providing an ongoing opportunity to work together to benefit our communities, and our nation's economy.

RIMA Foundation works on a series of Projects addressing critical information management and security challenges, develop goals, strategies, and performance measures to address those issues. According to the level of partnership, RIMA Foundation through the RFSP engenders the opportunity for corporate organizations and individuals to reach-out directly to their target audience while playing their social corporate responsibilities towards the development of the society.

Partnership Levels and Benefits

Corporate Partners can choose to contribute at the Bronze, Silver, Gold or Platinum levels. The Fact sheet lists the benefits available at each level.

RIMA FOUNDATION

How the RFSPP Work

Partnership is established through a signed agreement which usually lasts for a year. The agreement can be terminated with a month notice from either party.

Partner Commitment

Commitments on the part of the Partner include payment of the annual partner fees and monitoring of projects executed by RIMA Foundation.

RIMA Foundation Strategic Partnership Program (RFSPP) Corporate Partnerships
